Central Library, IIT Bhubaneswar

User Guide for MAPMyAccess

MAPMyAccess is a Remote Access Solution that is specifically designed to facilitate off-campus and anytime-anywhere access to digital content of the subscribed e-resources of IIT Bhubaneswar. Users have the privilege of accessing library content from any device in a seamless manner by leveraging secured cloud hosting services that have a guaranteed 99.99 % uptime.

Step-by-step Instructions on How to Login and Access MapMyAccess:

- **Step 1** Enter the URL in your browser: <u>https://iitbbs.mapmyaccess.com</u>
- **Step 2** You will be directed to the home page. Click on the Login Button.

Step 3 - Login Tab will open on the same window. Then sign in by clicking on "Login with your IITBBS Google Email Account" for remote/off-campus access of subscribed e-resources of IIT Bhubaneswar.
